Dear Plan Participant:

According to the records of the Seafarers Health and Benefits Plan, you will be eligible for health benefits as of January 1, 2019, or you were eligible during the past year (2018). For this reason, we are sending you the enclosed Summary of Benefits and Coverage (SBC). This SBC briefly describes the benefits at the **Core level for participants who reside in Puerto Rico**. The Plan utilizes Humana's network for participants who reside in Puerto Rico. You will also receive a copy of this SBC in Spanish from Humana at a later date. If you believe that you are currently receiving a different level of benefits, please contact the Plan to request a different booklet.

We are required under the Patient Protection and Affordable Care Act (ACA) to send you this Plan document. It provides a brief summary of your benefits. The SBC is **not** a guarantee of benefits. The Plan's Rules and Regulations determine whether you are eligible for benefits.

Also enclosed is a Glossary of Health Coverage and Medical Terms. This document defines common terms that are used by health plans and health insurance companies.

Reminder about the Plan's Grandfathered Status

The Plan would also like to remind you that the Seafarers Health and Benefits Plan is a "grandfathered health plan" under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that this Plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the Plan Administrator at 5201 Auth Way, Camp Springs, MD 20746.

You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1-866-444-3272 or www.dol.gov/ebsa/healthreform. This website has a table summarizing which protections do and do not apply to grandfathered health plans.

Questions

If you have any questions about these benefits, or about the coverage that you receive from the Plan, you may contact the Plan at 1-800-252-4674. You may also view additional information about your health coverage at www.seafarers.org, under the Member Benefits tab.

Sincerely,

Margaret R. Bowen

Enclosures

 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.** This is only a summary. For more information about your coverage, or to view the Plan’s Summary Plan Description (SPD), go to www.seafarers.org or call 1-877-486-2627 (Humana), or 1-800-252-4674 (Seafarers). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible ?	\$375 person/\$1,125 family	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible ?	Yes. Inpatient Facility, Vision, and Dental are not subject to deductible .	This plan covers some items and services even if you haven’t met the deductible amount. But a copayment or coinsurance may apply.
Are there other deductibles for specific services?	Yes. \$100 for prescription drug coverage . There are no other specific deductibles .	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services. Prescription coverage provided through OptumRx. No prescription coverage for dependents.
What is the out-of-pocket limit for this plan ?	\$3,000 individual/ \$6,000 family for in- network services only	The out-of-pocket limit is the most you can pay in a year for covered in- network services.
What is not included in the out-of-pocket limit ?	Health care this plan doesn’t cover, prescription costs , dental, vision, and out-of-network services.	Even though you pay these expenses, they don’t count toward the out-of-pocket limit .
Will you pay less if you use a network provider ?	Yes. See www.humana.com for a link to Humana’s network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan’s network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider’s charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.

The Seafarers Health and Benefits Plan is a “grandfathered health plan” under the Patient Protection and Affordable Care Act.

As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that this Plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the Plan Administrator at 1-800-252-4674. You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1-866-444-3272 or www.dol.gov/ebsa/healthreform.
