Dear Plan Participant:

According to the records of the Seafarers Health and Benefits Plan, you will be eligible for health benefits as of January 1, 2019, or you were eligible during the past year (2018). For this reason, we are sending you the enclosed Summary of Benefits and Coverage (SBC). This SBC briefly describes the benefits at the **Unlicensed Apprentice level for participants who reside in Puerto Rico**. The Plan utilizes Humana's network for participants who reside in Puerto Rico. You will also receive a copy of this SBC in Spanish from Humana at a later date. If you believe that you are currently receiving a different level of benefits, please contact the Plan to request a different booklet.

We are required under the Patient Protection and Affordable Care Act (ACA) to send you this Plan document. It provides a brief summary of your benefits. The SBC is **not** a guarantee of benefits. The Plan's Rules and Regulations determine whether you are eligible for benefits.

Also enclosed is a Glossary of Health Coverage and Medical Terms. This document defines common terms that are used by health plans and health insurance companies.

## **Reminder about the Plan's Grandfathered Status**

The Plan would also like to remind you that the Seafarers Health and Benefits Plan is a "grandfathered health plan" under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that this Plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the Plan Administrator at 5201 Auth Way, Camp Springs, MD 20746.

You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at 1-866-444-3272 or [www.dol.gov/ebsa/healthreform](http://www.dol.gov/ebsa/healthreform). This website has a table summarizing which protections do and do not apply to grandfathered health plans.

### **Questions**

If you have any questions about these benefits, or about the coverage that you receive from the Plan, you may contact the Plan at 1-800-252-4674. You may also view additional information about your health coverage at [www.seafarers.org](http://www.seafarers.org), under the Member Benefits tab.

Sincerely,

Margaret R. Bowen  
Administrator

The Seafarers Health and Benefits Plan is a “grandfathered health plan” under the Patient Protection and Affordable Care Act.

As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that this Plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the Plan Administrator at 1-800-252-4674.
