

COVID-19 Pre-Entry Questionnaire

This questionnaire is intended for use by the SIU hiring halls to determine if anyone wishing to enter a hiring hall is potentially at risk of exposing others to the COVID-19 virus. Please answer all of the following questions truthfully and bring it with you when you come to a hiring hall facility. If any of your circumstances or answers should change after you fill one out, please fill out another one and submit it.

NOTES:

- 1) If the answer is YES to any of questions 1 through 5, you will not be permitted to enter a hiring hall until you are at least 72-hour fever and symptom free, and/or at least 14 days symptom free from exposure history. Follow up with your doctor or public health facility as appropriate to be cleared and then submit a new completed questionnaire when you wish to return to a hiring hall facility.
- 2) Your temperature will be taken upon entering a hiring hall. **If your temperature is above 100.4° F, or if you are displaying COVID or flu-like symptoms, you will be denied entrance. With the use of a remote temperature gun, if the reading is 99 degrees or higher, you will be denied entry as that is the equivalent of 100.4 degrees on a standard oral thermometer.**

I acknowledge and agree to abide by all of the protocols set forth here for my safety and that of others with whom I may come in contact.
